Gentlemen:—

Enclosed please find check for three (\$3.00) dollars, for which kindly send me a copy of "New England State Coinage" as recently published by your Society and as per your ad in "The Numismatist".

Do you have in your collection one of the medals issued by this city and presented to each of the boys, who served in the late war? If not, kindly let me know and I think I can see that you get one. They are not elaborate, still are worth adding to those you already have.

Thanking you very much, I am

Dear Sir:-

In response to your letter of November 15th I am sending you today a copy of the New England State Coinage, which you desire, and trust it will reach you in good season.

Thank you very much for your thoughtful offer to procure for us one of the medals issued for the returned soldiers of your city. We should very much like to have one. We have a number of these, and should like to have one for Harrisburg to add to our collection.

I am wondering if you have ever received an invitation to associate yourself with The American Numismatic Society. If not, and you would care to have me do so, I should take great pleasure in proposing your name at an early meeting of our Council. As the simplest means to that end I have taken the liberty of enclosing an application blank. Whether you accept this invitation or not, I trust you will understand that we should be very glad to welcome you at our Museum whenever you are in New York and to show any part of our collection in which you may be especially interested.

Very truly yours,

Secretary.

Dear Sir: —

Enclosed please find the medal issued by the Chamber of Commerce of Harrisburg, Pa. to the returned soldiers of the recent war <sup>and</sup> concerning which I wrote you about one month ago. While it is not a work of art, still it should have a place in your collection of medals issued to the soldiers of the various communities.

I received the application card of your Society <sup>and</sup> thank you very much for your invitation to join them. I hope to avail myself of that opportunity in the near future.

Thanking you very much, I am
